

BARRON COMMERCIAL & INDUSTRIAL HVAC SOLUTIONS

OUR MISSION

Ensuring reliability in HVAC systems with expert solutions that prevent unexpected disruptions.

OUR TEAM

All team members at our company are highly skilled in commercial HVAC systems. They are proficient in the systematic installation, repair, and maintenance of all types of commercial HVAC equipment, including rooftop units up to 50 tons, ensuring optimal performance for your building.

ABOUT

Recognizing that each facility has unique needs, we tailor every HVAC system design, installation, and service to fit your specific requirements. From selecting the ideal system to ongoing maintenance, our team partners with you every step of the way, ensuring your project's success, whether it's an existing structure, a new build, or a renovation.

PREVENTIVE MAINTENANCE

Partnership with building managers to enhance system performance.
Customized service agreements for year-round operational efficiency.

Tailored Preventive Maintenance & Service Plan:

- Ensures regular inspections and proper operation.
- Follows manufacturer's maintenance protocols.
- Improves equipment life, uptime, and efficiency.
- Lowers energy costs and minimizes downtime risks.

Benefits of regular maintenance:

- Keeps buildings comfortably tempered all year.
- Reduces repair costs with fewer surprises.

Opt for our Preventive Maintenance Agreement to prevent minor issues from escalating, ensuring peak efficiency and reliability.

TESTIMONIALS

"As a long-time customer of Barron heating & Air Conditioning Limited (over 25 years), we would like to take the opportunity to recommend and comment on the service they have provided us with. They perform the seasonal preventative maintenance service at several of our locations. Barron provides an excellent response time when we request a service call. Barron's technicians are personable, polite and perform quality work. We highly recommend Barron's services to anyone looking for quality service."

Kevin Gooley
Director, Construction & Maintenance
Pet Value Canada Inc.

"Barron Heating & Air Conditioning Limited has been servicing our properties for over 20 years. Their qualified technicians provide wonderful service to our many tenants. Barron Heating & Air Conditioning Limited address any heating/cooling issues effectively and ensure that our HVAC requirements are in good working order. A very reliable company that you can depend on."

Philip Abramson
President, Jeli Holdings Inc.
